

REACH Directive

Status Update 4 Feb 2026

To the best of our knowledge, NO Superior product lines contain ANY of the 43 substances on the current Authorization List included under REACH Annex XIV, last updated on 16 June 2017, or ANY of the additional materials of the Two hundred and fifty-three (253) substances included on the Candidate List of Substances of Very High Concern (SVHC), last updated on 4 Feb 2026.

Product lines that are currently in compliance with REACH requirements, but contain materials that are foreseeably released during use, per Article 7(1) – materials which Superior suspects MAY be considered SVHC substances at a future date under REACH Annex XIV, as defined within Article 57 – are as follows:

| <u>Product Line</u> | <u>Reason for Concern</u> | <u>Corrective Action</u> |
|---------------------|---------------------------|--------------------------|
|---------------------|---------------------------|--------------------------|

None

Per REACH Article 33, Superior continues to monitor the status of SVHC materials as published by the ECHA. As of the time of this publication, all information is believed to be accurate. For additional information regarding product compliance with the REACH Directive, please contact your local sales representative, or Superior's Customer Service Department at (615) 374-0927 or (800) 529-5076.

Please visit the ECHA website for additional information regarding the Authorization or SVHC Candidate Lists:
